

AN ACT to enroll the late soldiers, their widows and orphans, of the late armies of the United States, residing in the State of Kansas.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. Each township trustee, as township assessor of his township, and each city or ward assessor, as the assessor of his city or ward, at the time for taking lists of property for taxation, shall enroll every person employed in the late armies of the United States, of the war of 1812, of the war of the United States with Mexico, of the wars of 1861, and of all wars of the United States with Indian tribes, and other persons specified in the several classes below, residing in his township, city or ward: First, Any officer of the army, including regulars, volunteers and militia, or any officer in the navy or marine corps, or any enlisted man, however employed, in the military or naval service, or in the marine corps, whether regularly mustered or not; Second, Any master serving on a gunboat, or any pilot, engineer, sailor, or other person not regularly mustered, serving upon any gunboat or war vessel of the United States; Third, Any person not an enlisted soldier in the army, serving for the time being as a member of the militia of any state, or who volunteered for the time being to serve with any regular organized military or naval force of the United States, or who otherwise volunteered and rendered service in any engagement with the British, Rebels, or Indians; Fourth, Any acting assistant surgeon, or surgeon, or contract surgeon, or any other physician or person who temporarily volunteered to assist in taking care of the sick or wounded, and any chaplain of the army or navy; Fifth, Every widow, whether married or not, and every child under sixteen years of age, of all persons mentioned above, in classes one two and three, and the children of like ages, and widows of every army or navy surgeon, and army or navy chaplain, who have died or shall hereafter die, and the name of the deceased father or husband of said children and widows.

SEC. 2. Said assessors shall write the first and surname of every person listed by them, and note whether of African descent, the rank, letter of the company, number of the regiment, and the state to which the regiment belonged, to which the enlisted man was a member, the arm of service in which employed, whether injured, wounded or contracted diseases while in the service, and his present post-office address, and the post-office address of all other persons listed, and in case of deceased fathers and husbands of said children and widows, the date of their death and place of residence at the date of death; and shall ascertain and report whether any widow not remarried, or other person listed, is in indigent circumstances, or in the almshouse, or dependent upon others for support.

SEC. 3. The first enrollment under this act shall be made at the time of listing property for taxation for the year 1883, and once in two years thereafter, and the rolls shall be returned with the list of property for taxation to the county clerks of the proper counties.

SEC. 4. The county clerk of each county shall furnish the assessors of his county such blanks as may be necessary for taking the aforesaid statements, which said blanks shall be furnished by the adjutant general of the state of Kansas to the county clerk, and the county clerk shall, within thirty days after the aforesaid rolls are returned to him, prepare duplicate tabular statements thereof, by townships and cities, with names arranged in alphabetical order, one of which he shall forward to the adjutant general of the state of Kansas, and the other shall be filed and retained in his office, and shall furnish a true and certified transcript of such records to any regular organization of ex-soldiers' reunions, when requested through their officers, free of charge, and shall furnish all necessary information contained in said tabular statement to pension claimants and other claimants for pay and bounty, or for other purposes, as they or their agents or attorneys may demand, for which he may charge his claimants a reasonable fee, not larger than is allowed by law for a like amount of service in other cases.

SEC. 5. It shall be the duty of the adjutant general, when he shall have received the said tabular statement from the county clerks, to put the same on permanent file in his office, and to make therefrom a general list, arranging the surnames in alphabetical order, by regiments and companies, which general list shall be retained in his office, and shall transmit a true copy thereof to the commissioner of pensions, at Washington, D. C., and shall furnish information to pension claimants and others, as provided in the next preceding section, under the restrictions and limitations imposed upon the county clerks.

SEC. 6. Any officer intrusted with the custody of the records above provided for, who shall refuse or neglect to furnish within a reasonable length of time, information or transcripts as hereinbefore provided, to the proper applicant or applicants, shall be deemed guilty of a misdemeanor, and be fined, on conviction thereof, in a sum not less than twenty-five dollars and not more than one hundred dollars.

SEC. 7. This act shall take effect and be in force from and after its publication in the official state paper.

Approved March 1st, 1883.

I do hereby certify that the foregoing is a true and correct copy of the original enrolled bill, now on file in my office.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and affixed my official seal. Done at Topeka, Kansas, this 1st day of March, A. D. 1883.
