	December 12 th Drill of Foreign disease and animal exercise in Crawford County.	Jason VanBecelaere discussed the Drill taking place on December 12 th time to be announced on roads 260 th and 126 th in Crawford County to state park Corner. Discussed that there are 3 points into Crawford County from MO 171, 126, and 160 They will rerouting 160 to 126 for any disaster or threat and farmers would be notified through media and KDHE would be notified. At the drill they will set up a check point but not pull over any actual vehicles and are looking for volunteers from all local law enforcement and agencies including Fire, CART, local veterinarians and the County Health Department. Will likely be a Hoof and Mouth disease and it is spread by Air so actual event could affect many surrounding farmers and livestock. Dan Peak reminded them that we	Jason VanBecelaere Eldon Bedene
