COUNTY FARM CEMETERY

Located in NW cor. of NE $\frac{1}{4}$  of Sect. 6, Twp. 30S Rge 24E

Until recently, stones were visible near the NW cor. of this NE $\frac{1}{4}$  section, it being the Elm Acres farm (Childrens Home), formerly the the County Farm. We believe these were burials of inmates of the County Farm, who were wards of the county. We can find no trace of any markers or graves today.
