

2017 Crawford County and K.D.H.E. Zika Virus Mitigation Tire Program

Crawford County in cooperation with the Kansas Department of Health and Environment (K.D.H.E.) would like to announce the 2017 Zika Virus Mitigation Amnesty Tire Program. This program allows the residents of Crawford County to drop-off up to seven (7) passenger or light truck tires for proper disposal. Crawford County employees will verify the residency of the participants by recording the license plate number of each vehicle. This tire drop-off program is for Crawford County residential participants only and tires will not be allowed that are from a tire retailer or automotive related business. Drop-off event details are below.
