

Mental Health First Aid USA

An 8-hour certification course to help communities better understand mental illness and respond to psychiatric emergencies.

Youth Mental Health First Aid 8-hour Course

www.MentalHealthFirstAid.org

Someone you know could be experiencing a mental illness or crisis. You can help them. You are more likely to encounter someone — friend, family member, coworker, neighbor, or member of the community — in an emotional or mental crisis than someone having a heart attack. Youth Mental Health First Aid teaches a 5-step action plan to offer initial help to people with the signs and symptoms of a mental illness or in a crisis, and connect them with the appropriate professional, peer, social, or self help care. Anyone age 18 or older can take the 8-hour Youth Mental Health First Aid course — first responders, students, teachers, leaders of faith communities, human resources professionals, and caring citizens.

Tuesday, April 11th, 2017 Course starts 8:00 am-5:30 pm.

The course is \$25 due at enrollment. Scholarships may be available; inquire if needed.

Course is held at:

Community Mental Health Center of Crawford County, Glass Pavilion
3101 N. Michigan
Pittsburg, Ks 66762

Questions? Call 620-231-5130 Amy Glines
