FRUMP INFANTS

Located NW $\frac{1}{4}$ Sect. 33 Twp. 28S Rge 24E

About $\frac{1}{4}$ mi S of NW cor. of section along E side of the county mile road.

Miss Elva Duff who lives on E $\frac{1}{2}$ of SE $\frac{1}{4}$ of Sect. 29 (same Twp & Rge) just to the NW of the intersection at the above described NW cor of Sect. 33, recalled that when she was a small child her family lived in a grove of trees where these graves were, for about 4 years, then moved to her present farm. The site of these graves was on the Price farm. Mrs. Maude Deemer had told Miss Duff's family of the graves, and Mr. Duff, Elva's father, had not known of them as they were unmarked. He set some posts so that he would not cultivate the ground over them. In recent months all the trees have been bulldozed out, and the exact location is not known.
