Monthly meeting of the Crawford County LEPC was called to order by president Mike Simmons.

Eldon moved we accept March Minutes as written. Seconded by Mike McCleod. Motion carried.

ESF 8 report that it is completed, but will work with more detail in June.

Eldon distributed training opportunities for all the ESF's in the Bold System.

New Business:

Mitigation Plan: all mitigation changes should have been in by May 3. Eldon is working with Arma Fire Department.

Weather Radio grant will run out by end of May.

Pam reported that Red Cross has tornado app that will alarm your phone if a tornado threat.

Eldon and Joey will present the grant before the commissioners. Seconded by Mike McCleod. Members of the LEPC were encouraged to be at the commissioner's meeting May 10 at 10:00 AM to support the grant.

Eldon announced June 25 a table top exercise for region. Encourage everyone is encouraged to participate.

October 16 is the next Mitigation meeting.

Badging: Joey is assigning certain people to sign people in but had some HIPPA issues. It will be done by lap top through each organization to comply with HIPPA. Homeland security will not maintain PDA maintenance agreement. PDA's can be traded in for lap top and software.

Meeting dismissed.
