COVID-19 Vaccine Acknowledgement & Consent Form Crawford County Health Department 410 E. Atkinson Pittsburg, Kansas 66762 Phone (620)231-5411

I have been offered or provided, whether accepted or not, a copy of the Privacy Act and "Vaccine Information Statement(s)". I have read, or had explained to me, the information in the Vaccine Information Statement(s). My questions have been answered satisfactorily, and I ask that the vaccine(s) checked below be given to me or the person named below for whom I am authorized to make this request. I consent to this immunization data being provided to the Kansas Immunization Registry for myself or on behalf of the person named below. I also acknowledge that a copy of the Crawford County Health Department Privacy Policy Statement has been made available to me. I agree that the patient's health insurance will be billed for any

Has the person to be vacci					Yes	
Has the person to be vaccinated previously been diagnosed with COVID-19 and were treated with monoclonal antibodies within the last 90 days?						

- Sheet").
- I have read the Fact Sheet or had it read to me.
- The U.S. Food and Drug Administration (FDA) has authorized emergency use of the Moderna Vaccine, which is not an FDA-approved vaccine. At this time, there is no FDA approved vaccine to prevent COVID-19.
- I understand the known and potential risks and benefits to the Moderna COVID-19 vaccine and the extent to which such benefits and risks are unknown.
- I acknowledge that I have the option to refuse vaccination and have been informed or any available alternatives to Moderna COVID-19 vaccine and the risks and benfits of available alternatives
- Recipients who are Pregnant or Breastfeeding: Pregnant and breastfeeding persons were not included in the clinical trials for the Moderna COVID -19 vaccine. I have discussed the potential risks of COVID-19 infection versus the risk of vaccination with my healthcare provider and have made the informed decision to receive the Moderna COVID-19 vaccine.
- I understand that it is recommended that I remain at the vaccination clinic for fifteen (15) minutes following administration of the vaccine for obser-
