

COVID-19 Vaccine Acknowledgement & Consent Form
Crawford County Health Department
410 E. Atkinson Pittsburg, Kansas 66762
Phone (620)231-5411

I have been offered or provided, whether accepted or not, a copy of the Privacy Act and "Vaccine Information Statement(s)". I have read, or had explained to me, the information in the Vaccine Information Statement(s). My questions have been answered satisfactorily, and I ask that the vaccine(s) checked below be given to me or the person named below for whom I am authorized to make this request. I consent to this immunization data being provided to the Kansas Immunization Registry for myself or on behalf of the person named below. I also acknowledge that a copy of the Crawford County Health Department Privacy Policy Statement has been made available to me. I agree that the patient's health insurance will be billed for any vaccine & administration fee, and that any portion not covered by this insurance will be the responsibility of you the patient or parent/guardian.

Patient Information (Please Print)

Patient's Legal Name: _____ **Age:** _____ **Birthdate:** _____
Street Address: _____ **City:** _____ **State:** _____ **Zip Code:** _____
Phone Number: _____ **Gender:** _____ **Race:** _____ **Hispanic/Latino: Yes** _____ **No** _____

The following questions will help determine whether the person to be vaccinated can receive the COVID-19 vaccine today.

If there is a "yes" answer to any question, it does not mean you should not be vaccinated. It just means additional questions must be asked.

If a question is not clear, please ask a staff member for further explanation:

COVID-19 Vaccine Screening Questionnaire

Is the person to be vaccinated currently sick? _____ Yes _____ No
 Has the person to be vaccinated had a serious reaction to a vaccine in the past? _____ Yes _____ No
 Does the person to be vaccinated have a history of severe allergies? _____ Yes _____ No
 Does the person to be vaccinated have a bleeding disorder or on blood thinner? _____ Yes _____ No
 Is the person to be vaccinated immunocompromised or on a medication that affects the immune system? (steroids, chemotherapy, etc) _____ Yes _____ No
 Is the person to be vaccinated currently pregnant or planning to become pregnant? _____ Yes _____ No
 Is the person to be vaccinated currently breastfeeding? _____ Yes _____ No
 Has the person to be vaccinated received any vaccinations in the past 2 weeks? _____ Yes _____ No
 Has the person to be vaccinated previously been diagnosed with COVID-19 and were treated with monoclonal antibodies within the last 90 days? _____ Yes _____ No

I understand that the COVID-19 vaccine I will receive today requires two (2) doses from the same manufacturer to be fully effective. I understand I must return in 28 days of the first dose to receive a second dose of the vaccine.

I consent to administration of the Moderna COVID-19 vaccination and acknowledge and agree with the following statements:

- I have received the Emergency Use Authorization (EUA) Fact Sheet for Recipients and Caregivers for the Moderna COVID-19 Vaccine (the "Fact Sheet").
- I have read the Fact Sheet or had it read to me.
- The U.S. Food and Drug Administration (FDA) has authorized emergency use of the Moderna Vaccine, which is not an FDA-approved vaccine.
- I understand the known and potential risks and benefits to the Moderna COVID-19 vaccine and the extent to which such benefits and risks are unknown.
- I acknowledge that I have the option to refuse vaccination and have been informed of any available alternatives to Moderna COVID-19 vaccine and the risks and benefits of available alternatives
- Recipients who are Pregnant or Breastfeeding: Pregnant and breastfeeding persons were not included in the clinical trials for the Moderna COVID-19 vaccine. I have discussed the potential risks of COVID-19 infection versus the risk of vaccination with my healthcare provider and have made the informed decision to receive the Moderna COVID-19 vaccine.
- I understand that it is recommended that I remain at the vaccination clinic for fifteen (15) minutes following administration of the vaccine for observation (the "Monitoring Period") to ensure I do not experience an adverse reaction. Recipients that have a history of anaphylaxis should be monitored for thirty (30) minutes post vaccination.
- I have had the opportunity to ask questions which have been answered to my satisfaction.

If you experience an adverse reaction to the COVID-19 vaccine, please contact your primary care provider or go to the nearest emergency department. If you are experiencing a medical emergency, call 911.
