

Crawford County LEPC August Minutes

Crawford County LEPC	August 11, 2016	Minutes	
Agenda Item	Discussion	Action Step	Responsible Party
Call to order	Meeting called to order by acting moderator Mike Simons	Motion made to accept the minutes by Eldon Bedene. Seconded by Danny Ludwig.	ongoing
New Business	Update on tower sites/911	Sheriff Peak reported he has had communication tower sites evaluated and has made an improvement plan. Historically reaching fire departments and reaching outer quadrants of the county have been difficult. The goal is to have deputies step out of the car and still have contact with dispatch. Sheriff is looking at additional repeaters and different configurations of the system to accomplish this. He reported the use of drones is being encouraged. Sheriff Peak also reported that there are no issues with the 911 system. The jail has had power issues recently, but the Sheriff's department and city of Girard are trouble shooting the power issues. The Sheriff is looking into replacing the answering system.	Sheriff Dan Peak
	Emergency Management	Eldon stated that the state of Kansas is going to apple only devices. Card reader will no longer work. The county will have to have apple devices and the cost is \$500 per license	

Crawford County LEPC August Minutes

Adjournment		Mike Ryan moved to adjourn. Seconded by Eldon Bedene.	
--------------------	--	--	--

Members present: Daniel Ludwig, Pat Holt, Dan Peak, Kyle Nelson, Don Pyle, Eldon Bedene, Major Gary Gugala, Mike Simons, Michael Ryan, Mark Chambers, T.J. Duncan, Rita Girth, Naomi Powers, Jen Meyer, Fred Rinne, Barry Bedene, Janis Goedeke

Agency	Reporting Person	Topic
Emergency Management	Eldon Bedene	The command center is in Independence, Kanas and will be gone for 2-4 weeks. MARC training will be held in August and registration is available on Train.
Pittsburg Fire	Mike Simons	Task Force 4 is trained and available for mutual aid.
Health Care Coalition	Fred Rinne	<p>IMT responded to Eureka. Lesson learned to verify information before deployment. You should always have just one command post when responding to an event.</p> <p>The medical community is concerned about ransom ware threat. There is also a concern with Pokemon as people are coming into the hospital with their devices that may have malware.</p> <p>HCC meeting to be held on August 23. CRMCS will be present for training, and the HCC will be concentrating on COOP. HCC's can no longer pay for food at meetings.</p>
Salvation Army	Major Gary Gugala	Shelter operations training was held on August 6. The leader gave good insight on how many people a shelter can handle and

		how to develop a staff team. Salvation Army will be developing a MOU if there is a weather emergency so their facility could be open overnight.
Crawford County Sheriff	Dan Peak	Reported that there was a debriefing on the Denver movie shooting concerning the tactics and procedures used. Lesson learned was the movie was still playing and the 911 couldn't hear due to background noise. He will be training dispatcher so dispatchers can tune out peripheral noises.
