DANIELS FAMILY
(graves removed)

Located NW $\frac{1}{4}$ Sect. 10 Twp. 29S Rge 23E The former Percy Daniels farm, now owned by Frank Adamson. Mr. Adamson states that 3 Daniels children were buried on the farm along the S line and about 50 rods E of his barn. When the Daniels family sold the farm, they had the 3 moved to the Girard cem. They were originally buried in walnut boxes, and these were found to be practically empty at the time of the reburial.

Notes recorded 1-8-1971 by Wm. Cuthbertson

7-27-1972 Mrs. Ann Anderson Harmon has obit. of Mrs. (Gen.) Percy Daniels 1844-1905. It states she was buried on their farm (Narragansette Farm) by the grave of her little son who died 35 years before.

See Girard Cem. p. 122 Mrs. Daniels and 1 small son bur. there, so perhaps she and one son were removed to the Girard cem., rather than 3 infants.
