

Crawford County LEPC  
January 10, 2013  
Minutes

Present: Eldon Bedene, Cory Hallacy, Don Pyle, Jeremy Korb, Juvey Espino, Barry Bedene, Mike McCracken, Bill Towery, Tim Myers, Jamie Crowder, Mike Simons, Mike Ryan, Mike McLeod, Pat Holt, Derek Crumpacker, J Don Book, Elwyn Davis, Janet Pittman, Fred Rinne, Al Combs, Steve Geier, Danny Smith, Dan Peak, Joey Adams, Janis Goedeke, Pat Rion

Joey Adams, president, called the monthly meeting of the Crawford County LEPC to order.

Don Pyle moved to accept the minutes as written. Mike McCleod seconded motion. Motion carried.

Eldon Bedene announced the February 7 exercise has been cancelled.

Janis Goedeke announced that the ESF 8 Committee meeting will be held directly after LEPC meeting today.

Eldon thanked Sugar Creek for attending the meeting, and he welcomed SEKCAP to the LEPC as well. He voiced his desire to see SEKCAP be a part of transportation in an event.

February 19 will be the Weather Watch Training at 6:30 PM

Sugar Creek falls under new process management they are required to notify community of the hazardous chemicals that they have. If they have an event it would affect a 2 mile radius. They also have above ground pressure tanks. They would like to have a table top of a highly hazardous chemical. Sugar Creek reports they have an onsite emergency response team that consists of 18 people. They have an onsite decon units and they hold monthly drills.

Fire departments reported they needed updated plans from Sugar Creek.

Eldon reported that all paperwork has been reported to state that qualifies us to be an LEPC.

Election of Officers:

Chairman: Mike Simons

Vice Chair: Mike McCracken

Secretary: Janis Goedeke

Agency reports:

Dan Peak: Sheriff Horton retirement reception at 1:00 PM St Michael Parish Hall on January 14, 2013.

Mike McCracken: PSU had table top exercise with president's council that included PSU administration, representatives from facilities, and academia.

Janet Pittman: Presented flyers for the disaster training institute to be held in June.

Elwyn Davis: Salvation Army drove canteen to get radios tuned. Radios are still out for repair. Canteen was set up at the Christmas train. They had six new members that have been trained. There will be new team member training Saturday January 26.

Region 6 EMS had first meeting. Region 6 will be setting DMSU to outfit truck and its members. They currently have 23 members.

Eldon announced his retirement in May. He would like to meet with city of Pittsburg and PSU to bring out command post and train dispatchers on how to use the command post.

Dan Peak discussed table top revealed that the Girard Fire Department would be a place for sheriff's office to relocate should an emergency occur. Dan is looking for another place to house the radio tower, as he is trying to disperse the equipment throughout the county so all the equipment is not lost. They are looking at places where storage would be suitable.

Greenbush has cabins available, and they are asking for assistance for emergency plans and threat assessment.

SEKCAP Homeless: SEKCAP announced they will be holding a homeless count on January 23. There will be groups of volunteers go out to count the homeless. They announced there would be training held, and they would need assistance in knowing where the homeless were. In addition, they may need backup if they are in an unsafe area.

Flu outbreak discussed. First responders encouraged to get their flu vaccinations.
