#### **PUBLIC HEARINGS AND OPENING OF ANNOUNCED BIDS**

#### **MESSAGES FROM ELECTED OFFICIALS**

#### **MESSAGES FROM THE PUBLIC**

**Item One:** Mr. Joe Wimmer addressed the Commissioners. Mr. Wimmer explained the events that happened leading up to him leaving his vehicle on the side of the road on 690<sup>th</sup> Avenue on Sunday, May 13, 2018. He then explained what took place with the vehicle being towed by Larry Barrett Frame and Towing at the request of a deputy from the Crawford County Sheriff's Department on Tuesday, May 15, 2018. Mr. Wimmer informed the Commissioners that he was charged \$272.00 by Larry Barrett Frame and Towing for towing his vehicle on Tuesday, May 15, 2018. He explained that the tow bill was excessive due to the fact that the tow company was called out after hours. Mr. Wimmer stated that he made several unsuccessful attempts to contact the deputy that had the vehicle towed. He stated that he was able to contact Sheriff Peak to discuss the issue and Sheriff Peak emailed him a copy of the Sheriff's Department's tow policy and stated that he felt that his deputy made the correct decisions in towing the vehicle. Mr. Wimmer said that after he reviewed the tow policy he does not feel that the deputy followed the correct protocol in having his vehicle towed. Mr. Wimmer stated that he would like to be reimbursed the amount of the tow bill. The Commissioner decided to obtain a copy of the Sheriff's Departments tow policy and will make a decision on Tuesday whether to reimburse Mr. Wimmer his tow costs in the amount of \$272.00.

To: Crawford County Kansas Board of Commissioners

From: Joe Wimmer, 2510 Xavier Road Fulton, KS 66738 Phone: 620-224-8600 or 620-857-4721

Commissioners,

I am writing to inform you of a situation where I do not feel I was treated fairly by the Crawford County Sheriff's Department. I have had communication with Sheriff Peak, which led me to conversations with Jim Emerson, who has instructed me that the best next course of action would be to write you this letter.

On Sunday, May 13 of this year I travelled to Pittsburg with my family to visit my Mother and two sisters who live in Pittsburg for Mother's Day. Our regular family vehicle had broke down in our driveway two days earlier on Friday, leaving us to take our 2001 Ford Explorer Sport Trac.

When returning home to the Fort Scott area in the afternoon, just north of Arma on 69 Highway, the truck began to run irregularly and eventually the engine died. We were near enough to 690<sup>th</sup> Avenue to coast off the highway for a distance down the gravel road where I stopped the truck in a shaded area along the roadside, the shade being important as it was a particularly hot afternoon and we had our two year old daughter and eight month old son in the vehicle with us. The truck would not start again. I was not able to reach anyone by phone who was able to come retrieve both the truck and the four of us, so in order to get the kids off the road and out of the heat as soon as possible we settled for transportation home for just the four of us.

Our ride retrieved us around 5:00 P.M., and in the driver's door window I left a note with my name, phone number, and home address.

The truck was adequately parked to side of the road as to not block traffic, and we witnessed three vehicles pass by without any trouble whatsoever. Two of which were kind enough to stop and ask if we needed help, including one man who said he worked with the Sheriffs Department, and the Miller's, who live a short distance to the east from where the truck was parked.

I had intended to have the vehicle towed the next day, on Monday, however, my neighbor who has towing equipment, said he only had time to tow one of our two broke down vehicles that day. With our children's well being in mind, I thought the best route was to tow the family vehicle out of the driveway first, so that it may be repaired first. With that in mind, we towed it to the repair shop on Monday, leaving the truck to tow on Tuesday. We were not able to tow the truck on Tuesday either, but made plans to do it first thing Wednesday morning.

Early Wednesday morning I saw I had a missed call on my phone from a Girard, KS phone number at 11:15 P.M., but no voicemail. Soon after, I got a call from Larry Barrett informing me that he had towed my vehicle to his tow lot in Pittsburg and that I owed a him \$272.

After speaking with Larry Barrett, I returned the missed call from the Girard telephone number, which I found out to be the Crawford County Sheriff's Department, which led me to a conversation with Sheriff Peak. Sheriff Peak informed me that the department had a complaint during the 9:00 P.M. hour about

## Board of Crawford County Commissioners

my vehicle and the Deputy Swartz responded the complaint during the 11:00 hour, and made the decision to have the vehicle towed.

Through email communication with Sheriff Peak, I received both a photo of my truck on the roadside before being towed, and also a copy the Crawford County Sheriff's Department tow policy, titled "IMPOUNDING/TOWING OF VEHICLES."

Sheriff Peak later informed that Deputy Swartz referred to Section A (2) of the "IMPOUNDING/TOWING OF VEHICLES" policy in having my truck towed.

Section A (2) states: **"...Whenever a Deputy determines that an unattended vehicle is to be towed, a strong effort shall be made to contact the vehicle's owner and to allow the owner the opportunity to move the vehicle..."**

I do not believe that one phone call, at 11:15 P.M., with no voicemail being left, constitutes a "strong effort," to contact me and allow me an opportunity to move the vehicle. If this is the section referenced, I can not see how the policy was adequately followed.

Considering my truck is disabled, I believe Section A (3) may be a more appropriate guideline for reference, however, Section A (3) states: **"A DISABLED vehicle left on the roadway is NOT illegally parked...such a vehicle....can be moved off the roadway by a Deputy when circumstances permit. If a disabled vehicle is unattended, a Deputy shall attempt to contact the vehicle's owner and afford such person a reasonable time to remove the vehicle from the roadway...and if the vehicles owner cannot remove the vehicle in a reasonable period of time, the vehicle may be towed to a place of safekeeping. The Deputy will make the determination as to what is "reasonable" and will set a deadline."**

The missed call from Deputy Swartz was at 11:15 P.M.

Deputy Swartz called Larry Barrett at 11:18 P.M.

I cannot see how that three-minute period afforded me a reasonable time.

Also, stated is that the Deputy will set a deadline, I was never made aware of any deadline.

I have left two messages with dispatch, requesting a phone call from Deputy Swartz, and I left a third message on his voicemail, requesting a return call. All of which have went unreturned.

The truck was on the road longer than I wanted or intended, but It is clear to me that the tow policy was not followed when my vehicle was towed off 690 Avenue on May 15th. Furthermore, I left my name, phone number and home address on the door, my home phone number can readily be found in the Craw-Kan phone book under the same name and address I left on the door. I feel that I did my part in making contacting me reasonable, but I not feel that the Deputy made a reasonable effort to contact me, and did not follow the restrictions set forth by the policy. For these reasons, it is only fair that I be reimbursed the \$272 fee I paid Larry Barrett. Thank you for your time in reading this letter and I look forward to your correspondence.

Included with this letter is a timeline of events, tow receipt, dashcam photo of vehicle, and tow policy.
