AGENCY ANNOUNCEMENTS

Agency	Agency Representative	Topic
Baker Fire Department	Mike Ryan	Reported increase in grass fires.
Girard Fire Department	Chase Waggoner	March 29 is the Hazmat Awareness Training. There is a possibility of Hazmat Training in April if there is enough interest. FEMA grant applications are open. Girard emergency management is developing new emergency plans and would be interested in seeing other municipalities emergency plans.
Arma Fire	Mike McLeod	Had 32 firemen trained in Fools of Oz Training. Grass fires are increasing. Had 43 fires in February and already up to 50 fires in March. Would like to see a burn ban. A discussion ensued over county fire ordinance and

		the procedure to burn. Felt that putting fire ordinance in paper and on web site would be helpful.
Crawford County Commission	Commissioner Carl Wood	Would like to have a list of those who should be contacted when a burn ban is implemented or lifted. Don Pyle agreed to form a list serv.
Crawford County Law Enforcement	Sheriff Dan Peak	The Sheriff's Department is replacing dispatch and will try to minimize disruption in dispatch. Geier, Pichler and Smith attended Alert Lockdown Inform Counter Evacuate training for an active shooter. This is a new model. The sheriff's office is hoping to have all schools trained in this model. Southeast has already agreed to participate. It will be a totally different training for first responded since children will be running from the school. There will be higher concentration of getting the wounded medical care sooner.
USD 250`	Chris Garzone	Chris will be working with USD 250 to implement the ALICE program.
Crawford County Chaplin	George Powers	Wanted to give praise for there not being one traffic fatality in the county in 12 months.
CART	Bette Lessen	CART to be recognized legally soon. They are in need of NIMS training. Next meeting March 20 6PM at City Hall in Arma.
