## NEWBANKS INFANTS

Located within the City of Arcadia, Kans., in Sect. 1, Twp. 28S, Rge 25 E. We believe this is on lot 5 or 6, Block 5, Walcott's Add., in the SW part of Arcadia atop a hill.

12-13-1971: Mr. Ed Dobbins, a barber in Arcadia, well-versed in local history, recalled that 2 infant sons of Charlie & Molly Newbanks were buried about 10 ft. S of their house, a story-and-a-half house atop a hill, still standing and lived in. Three sisters of these infants are yet living in Calif. Mr. & Mrs. Newbanks are buried in the Old Arcadia Cem., and we copy their stones here simply to give an idea of the age of their children:

Charles E. Newbanks 1842-1924    Mary D. Newbanks 1853-1932

The location of this house might be further described as on the NW cor of the intersection, 1 block W of the highway leaving town to the S, and 3 blocks S of the railroad crossing.

---

10-14-1972 Mr. and Mrs. Bert Marshall, nee Opal Palmer, once lived in this house, the Newbanks place, and knew of these 2 graves located about 10 ft. or perhaps a little farther south of the house.
