

Crawford County, KS General Highway Map

DISCLAIMER: This is a product of the Crawford County GIS Department. The data depicted here has been developed with information originating from other source agencies, as well as other federal, state and local government agencies. The roads represented here were developed for the purpose of identifying GIS addresses. Please contact the address board member, The County Engineer's Office, for any road related questions. Crawford County disclaims responsibility for damages or liability that may arise from use of this map. This document does not constitute a legal survey. Any results of this information is provided.

Projection: Lambert Conformal Conic

Date of Printing: May 2015
